

VFW YOUTH GROUP
42nd ANNUAL INVITATIONAL BASKETBALL TOURNAMENT
CONCUSSION POLICY

Tournament Concussion Policy

- If any coach, game official or site official observes any player that has exhibited concussion symptoms, or hears a player complain of concussion symptoms, that player will be immediately removed from the game and will not be permitted to return to that game.
- All score sheets for the player's teams remaining games will be marked to highlight that players name with a notation that he or she was removed from a prior game for suspected concussion.
- The player will not be permitted to play in any further current tournament games until evaluated and cleared by a licensed medical health professional or provider, and a written clearance from such licensed medical health professional of provider is presented to the division coordinator or commissioner.
- No game or site official has the right or is permitted to let the player that was removed from a game with concussion symptoms to enter a subsequent tournament game without having received confirmation from the division coordinator or commissioner that the player has received proper medical clearance to play.
